

**Banshi Jain & Associates**  
Chartered Accountants

**ASSURANCE AND  
ASSURANCE ADVISORY**

# ABOUT US

Since our beginnings in 1975 and our establishment in 1989, Banshi Jain and Associates (BJAA) is admired as a name of trust and excellence, with an aim to provide exceptional service delivery through value addition, client focus and innovative practices. Our updated and in-depth knowledge in various service verticals, coupled with extensive experience of various industries, has resulted in the firm providing the best of services to its clients.

# ASSURANCE AND ASSURANCE ADVISORY

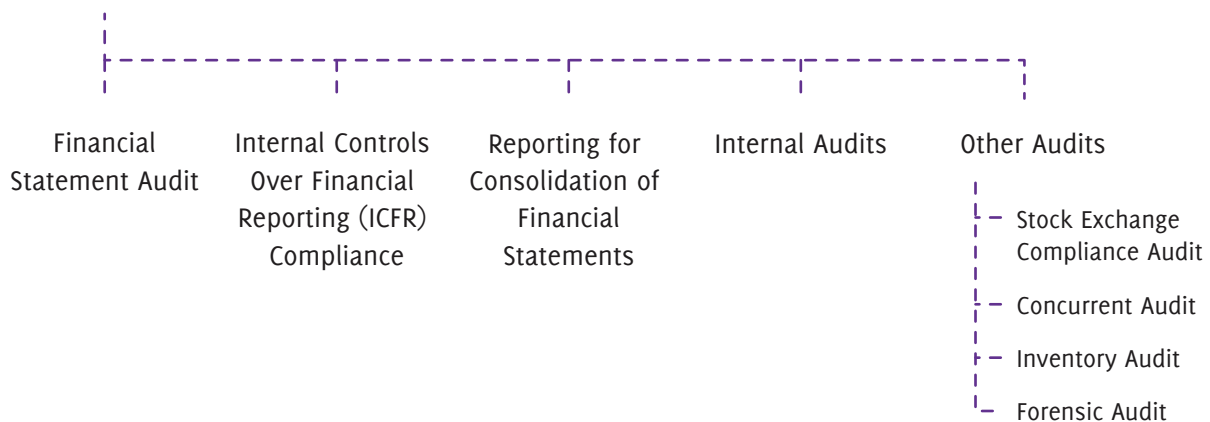

Auditors are a vital link in the financial reporting process, because their opinion increases the trust in the minds of different stakeholders.

At BJAA we thrive to provide quality services that are industry specific and tailor made depending on the specific industry requirements, size and operations.

While providing our services we adhere to high standards of independence, professionalism, integrity and ethical values. With increasing business desire and complication, our clients demand constant assistance for consulting and advisory on numerous commercial and accounting matters.

We benefit our clients to better understand their organizations' values and performance to comfort them in achieving their true potential.

## Assurance

## Assurance Advisory

- Ind-AS and IFRS Compliance and Advisory

# What makes us stand out

## Risk Based Methodology

The responsibility for identifying and managing risks belongs to BJAA management. We assure you that the risks have been properly managed.

Our team assures to be an objective source of key aspects of operations, i.e. efficiency, effectiveness and integrity of information while ensuring compliance with regulations and protocols.

## Industry Focused and Industry Knowledge

BJAA has experienced professionals who are thorough in their fields, thereby providing quality services to our clients.

## Value Add Approach

BJAA is driven by the best of professionals with a blend of experience, skill and who are completely dedicated towards their clients' needs.

In order to maintain the quality of services to be provided our partners and seniors, we believe in reviewing the work process and quality control standards regularly.
